SUMMER 2019

Hello everyone, what a wonderful welcome all site holders have given Janice and I and our girls. We have enjoyed Grand Final and Melbourne Cup weekends. It's absolutely amazing to see the community spirit that lives and breathes within the park. We look forward to getting to know all site holders over the summer and as we move into 2019.

Janice and I have taken over the Management of the park from Andrew and Kylie who have done an exceptional job of managing the park over the past 5 years. Kylie is continuing in a Administration Management role one day per week within the business.

We are living on-site to manage the day to day running of the park. The park consists of various site holders enjoying what the park has to offer and its great location, we look to all site holders to assist in promoting, protecting and respecting the park rules for everyone's enjoyment.

See you soon,
Paul and Janice

Emergency services have 24-hour access to the park and if you have a need to call police, ambulance or fire services, you should do so. However, please remember to notify management immediately after making the call.

It is important that we are aware of what's going on in the park both for your safety and the safety of others.

GRAND FINAL WEEKEND

We had a number of site holders join us for the battle of the AFL Grand Final between West Coast and Collingwood. The marquee was full of avid AFL Football Fans watching the action on the Big Screen.

Food and drinks were enjoyed and the atmosphere was electric towards the exciting final moments of the game.

Unfortunately for our beloved Magpie fans it wasn't to be their day, but they live to fight on and will look to the 2019 season for redemption.

We have a great mix of various supporters of both AFL and NRL in the park and look forward to many great matches next season.

We decided to follow up with the NRL final on the Big Screen the following night but the weather and the result wasn't in our favour. Mandy, Ash and Dave soldiered on to the end, what a great effort !

MELBOURNE CUP WEEKEND

Melbourne Cup Weekend was up and down weather wise, but it offered some great fun and entertainment for those who were down.

On Sunday we witnessed the first running of the Inverloch Surfside Cup.

The two dollar sweeps filled fast and one of our lucky winners Megan Bowey was here to collect her prize after the race.

A big thankyou to everyone involved and a special mention to Dan and Dave for entertaining us in the marquee on Monday afternoon.

The Inverloch Surfside Cup proved to be one to remember. We had a very special moment at the presentations for the winners after the races! We had a tie for the first race in the Boy's 5 and under race, this left us in a difficult position of only being able to give Lawson a voucher and Flynn a medal until we could purchase another medal and voucher. We were approached by Mitchell Gottschalk who won the 11 to 15yrs race and gave up his Medal for Lawson. Well done Mitchell what a wonderful thing to do!

SITE AUDITS

Site audits will now be carried out in February, 2019.

When you are holidaying over Christmas, please ensure your van/ cabin is clean, has gutters clear and cobwebs removed. Thanks to those that have already been down and cleaned up their sites. It doesn't go unnoticed.

HARD WASTE

A Hard Waste Skip will be provided for residents use from 19th December until becoming full. The skip can be found at the rear of the park.

This will be your opportunity to get rid of all those large items and building materials which may be piling up. Please note, this is not an invitation to bring waste from your permanent residences, but only that which may be building up around the park. Please note mattresses are not permitted in the skip. If you have a mattress to dispose of, please discuss with Management. Some restrictions may apply. Please do not be tempted to place household rubbish in this bin. Although it may be tempting for kids to play around, please ask your children to stay away from the bin, it is not a place to climb on, into or play around.

WELCOME TO SURFSIDE

Our newest members of the Surfside family are:

Stewart Thomson and Vanessa Clothier and Family.

Kylie Kearney and Family.

LET'S TALK TRASH

Our team works hard at trying to keep the grounds and buildings clean and free of rubbish but we need your help.

Please do not litter the grounds, and put all rubbish in the bins provided.

If you see any lying around, please pick it up and dispose of it appropriately, or report it to management.

We thank you for your consideration.

MULCH BETTER

The landscaping at the northern end of the park is nearing completion.

The trees have been planted and mulch spread over the garden beds providing a very nice outlook and more room for site holders along the northern boundary of the park. Moving into Autumn we will be top dressing and planting grass to complete the upgrade.

The park has invested in a chipper so all of the garden bed mulch is now being produced in the park. This produces a greener and more sustainable method of green waste management within the park.

LEAVE THE TREES ALONE

It was extremely disappointing to find our beautiful gums had been vandalised after the 3rd term holidays.

If you see anyone damaging the grounds, gardens or trees we work extremely hard to look after, please let us know at the office so we can prevent this from happening in the future.

An inspection of cabins and vans can easily be arranged by visiting the office.

Whilst showing prospective buyers around the park over the last three months. We note an obvious pride shown by site holders. We must congratulate our site holders you have helped promote the park and made guests feel very welcome.

We had a family in one weekend and unfortunately we ended up being caught in the rain. Two site holders who shall remain nameless came running with umbrellas. (Sites 70 and 71)

SMOKE ALARMS

Victorian Caravan Park Regulations state that:

'Smoke alarms for movable dwellings must be fitted to all UMDs, caravans and rigid annexes. Where mains power is supplied to the moveable dwellings, the smoke alarm must be connected to the mains power. Smoke alarms need to be installed on or near the ceiling.'

Note: Battery operated smoke alarms do not meet this requirement.

It is also now a CFA requirement that all UMD's have a fire extinguisher and fire blanket installed.

To comply with these regulations, please ensure you have current extinguishers and blankets installed in your van or cabin.
